**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I use a competitive provider because they offer better choices than the mainline providers where I live. There are only two others in my area and we need to continue to have competition to ensure we are getting the best services possible.

Without this choice, my cost of internet and telephone services will go up tremendously.

Broadband is a critical part of our lives and our children need it for school purposes.

Please ensure competition continues.

Thanks
